| | <p>Knowledge sharing with Italian teachers about didactic practises. Support to English language teachers on how to motivate their pupils. Learning English through multidisciplinary activities.</p> |
| COMPETENCES REQUIRED | |
| Languages and level of competence required | <p>English C1-C2</p> |
| Computer skills and level of skills required | <p>It's not required a high level of competences in this sector, because the instruments of the schools are not very advanced. In every school of the Institute there is a computer lab and in some classrooms an electronic board (LIM) is available. At the moment two schools are equipped with Wi-Fi connection.</p> <p>The computer skills required are necessary to stimulate and promote an interactive use of didactic technologies for the pupils in each age range.</p> |
